Staff Present :

Guests Present: Dale Bemiller, & Zac Tuttle

Meeting was called to order at 5:32pm by President Christy Keith.

Christy talked about how the meeting with the insurance adjuster went, they are valuing Fairhaven Office roof at \$14k, with a conversation with Daryl at the Commissioner office, they may be willing to pay the \$25k deductible and the Fair Board pay the rest towards a new roof. Will need to decide what type of roof we would be looking to get.

Dave Grauer gave an update on Browns lot. There is still some leveling and grass seeding to be done when it dries up. Flenner said they would send a roller over to help knock down some of the ruts. Then they will dress with asphalt millings.

Question was raised if the electric upgrades will be complete in time, Phil assures us it will be. Firelands Electric is donating the Airswitch that is needed for the upgrades.

Motion was made, to give the Sponsor of the Day to Firelands Co-op on Wednesday for the donation, by Dave Dick, seconded by Kathi Mills, motion passed.

Motion to Adjourn at 5:48pm by Kathi Mills, seconded by Sadie Hoyt, motion passed.
