Meeting was called to order at 6:01pm by Chrisy Keith

Review of our cyber security plan that we already had in place, per state, motion to accept the plan we have had in place made by Tom Craft, and seconded by Kathi Mills. Motion passed.

Tom said grandstands were open, there is some major repair needed in the grandstand bathrooms, we will be voting on later in Sr. Fair meeting.

Kathi reported if all the contracts come back Fairhaven will be 10 spaces over sold.

Dave Dick dropped of the updated insurance for the year. He reported that all the late taggers were allowed and was voted on at the last livestock meeting. It was also voted on to use the rest of the phase 2 money to be earmarked for tables and chairs in the new show arena, and would remain in the show arena.

Flenner still will be coming in to roll Browns lot, dumpsters are lined up for INK and fair week, there are still some low areas that need to be leveled off in Browns lot. Met with INK this past week and informed them that the dirt will be getting hauled out. There are a couple pedestals to get fixed before INK.

In the Kitchen the hoods have been cleaned, Koorsen will be out to inspect as well as inspect extinguishers

Trudi Requested her pay, this had been previously voted on so no vote needed, and Sam Mckown was inquiring about a lifetime member pass for his years served on fair board, Christy is looking in to it.

Meeting adjourned motion at 6:42pm by Kathi Mills, seconded by Tom Craft, motion passed.
